

Senior Municipal Engineering Project Manager

Edmonton, Alberta

Who We Are:

Invistec Consulting Ltd. is seeking a Senior Municipal Engineering Project Manager to lead a group of project engineers, engineering designers, and construction managers to execute municipal engineering projects from beginning to the project close.

Invistec Consulting Ltd. is an employee owned, Western Canada based multi-disciplinary firm providing consulting services in planning, civil engineering, landscape architecture, transportation engineering, and urban design.

We are looking for a talented and experienced individual who is ambitious, self driven, and is a team player to join Invistec's leadership group to further grow Invistec's business. This position will be rewarded with a competitive compensation package, attractive benefits, and potential opportunities to participate in the ownership.

Description of the Opportunities:

- Business development and pursuing public project opportunities through RFPs;
- Lead a team of project engineers, designers, and construction managers to execute municipal projects from start to finish;
- Represent Invistec to liaise with municipalities, government agencies, and regulators; and
- Provide guidance and mentorship to junior project engineers and construction managers.

The Successful Candidate will Possess the Following:

- Completion of a Civil Engineering University Degree;
- Minimum 5 years of working experience in the consulting industry specializing in dealing with public projects;
- Experienced in proposal writing and review RFPs;
- Familiar with the City of Edmonton and surrounding municipalities' engineering standards;
- Registered as Professional Engineer with APEGA or equivalent; and
- Proven track record of leadership.

How to Apply:

Invistec is a fun, friendly and supportive team environment. Invistec staff is passionate about our work and participate in continuing education and industry events.

If you believe you are a perfect fit for Invistec, please submit your resume to Ken.Liu@invistec.ca. Learn more about us at www.invistec.ca.
